

## Join an Exciting Team!

We are looking for dedicated professionals to join our dynamic health care team!

North Hills Hospital is located in North Richland Hills, which was recently named one of the Top 100 Places to Live in the United States according to Money Magazine. Our employees and physicians pride themselves on being pioneers in healthcare, bringing us the first Cycle 2 Chest Pain Center accreditation in the United States, and a Bariatric Surgery Center of Excellence, a distinction held by few hospitals in the area. We are the first hospital in North Texas to achieve Cycle 1 Chest Pain Center accreditation, and we're constantly working towards greater improvements: In 2007 we opened a brand-new Women's Center, and in the fall North Hills is proud to present our new Heart Center, the first of its kind in Northeast Tarrant County. We also offer state of the art technology while still maintaining a family-like feel throughout our hospital and community.

With our \$33 million expansion underway, and we are looking to increase our family of quality nurses!

Please visit us at [www.northhillshospital.com](http://www.northhillshospital.com) to submit an application/resume, or you can speak with a recruiter directly at 800-803-9440 ext. 235.
