

GUIDELINES FOR POSTERS

Poster Size: 8' x 4'

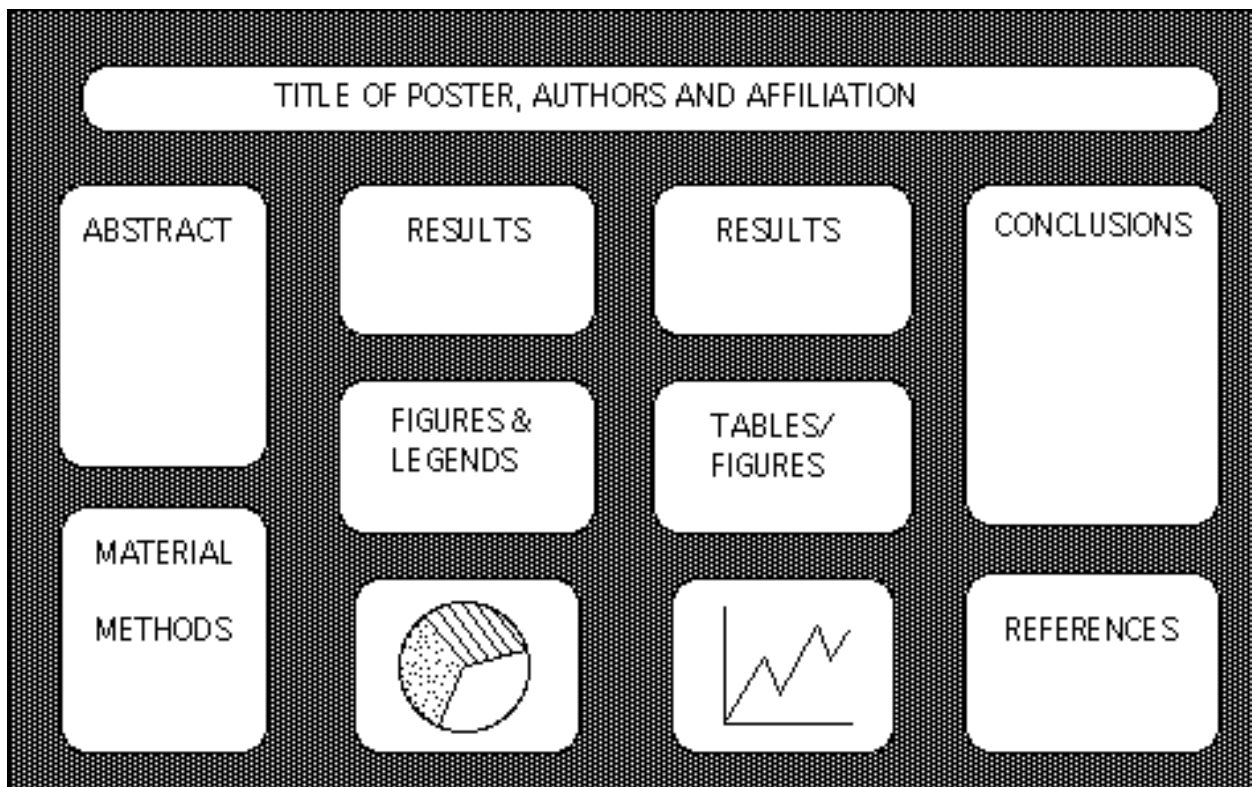

The poster must fit within the 8' x 4' board allowed. We suggest that your poster be made as several smaller sheets, mounted on colored cardboard. These separate parts are easier to carry and can then be assembled on the board at the meeting site.

Text

Text should be legible from a distance of 2-3 feet and should be succinct. It can be organized as per the diagram, with a title, an abstract, material and methods, results and conclusions. References are not necessary in a poster, but a few may be included.

Figures and Tables

These are very effective in conveying a message in a poster. Photographs enlarged to about 5"x 7" or 8"x 10" are ideal, although smaller sizes may be used. Some information lends itself to presentation in a table format. Tables should be clear and not cluttered with data. Two neat tables are better than a single crowded one.

At the Meeting

Posters will be pinned to a board in a room to be assigned at a later date in the Fairmont Hotel.
